

Winthrop Public Schools 2023-2024 Budget Input Family/Community Survey

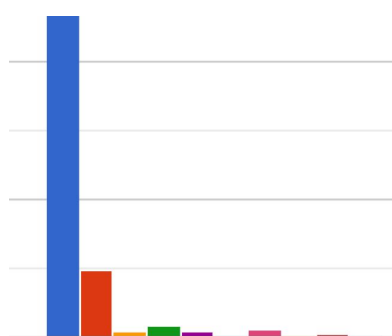

The Winthrop Public School Department is in the process of developing the 2023-2024 school budget and we are seeking input from the families and the community. This survey was designed to help everyone share opinions and input with our Leadership Team and the School Committee allowing for a collaborative and informative budget planning process. The following graphs show the results of the 2023-2024 Budget Input Family/Community Survey.

When building a school budget, which is the most important to you with 1 being the highest priority and 8 being the lowest?

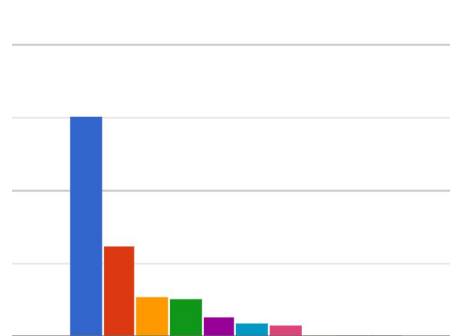

1 2 3 4 5 6 7 8 9 10

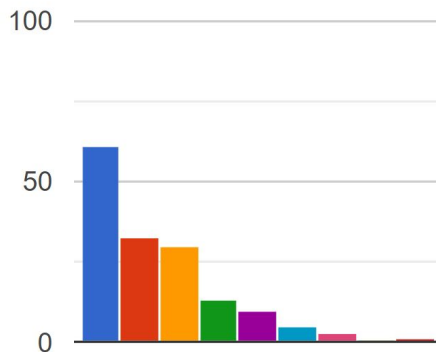

Safety and security of school buildings and facilities

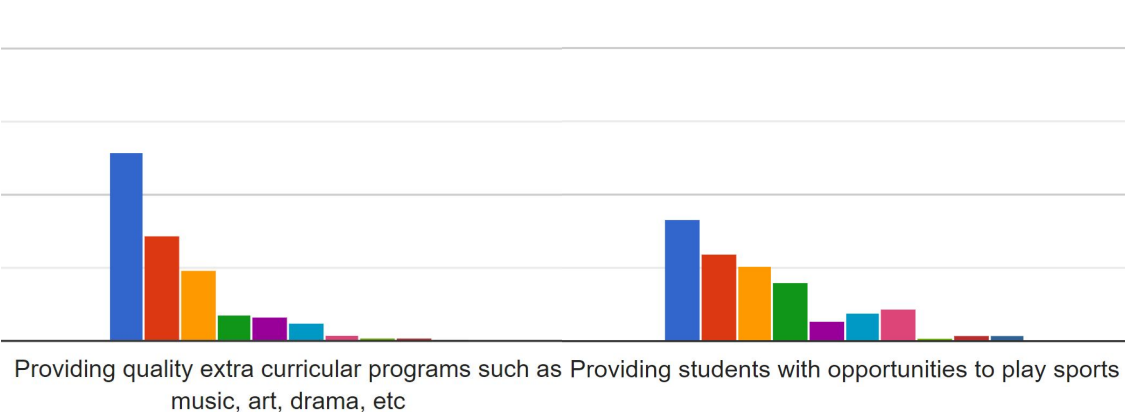

Hiring and retaining quality staff

Providing support to struggling students

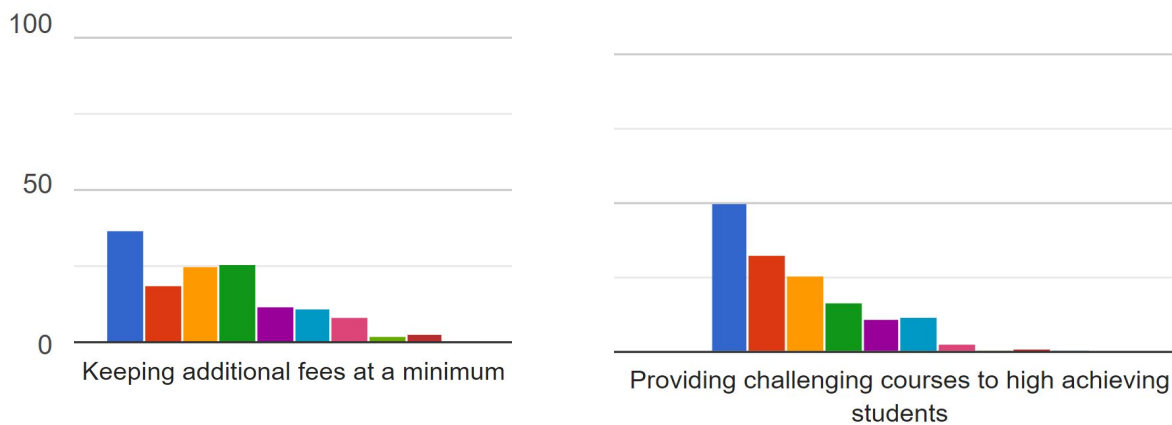

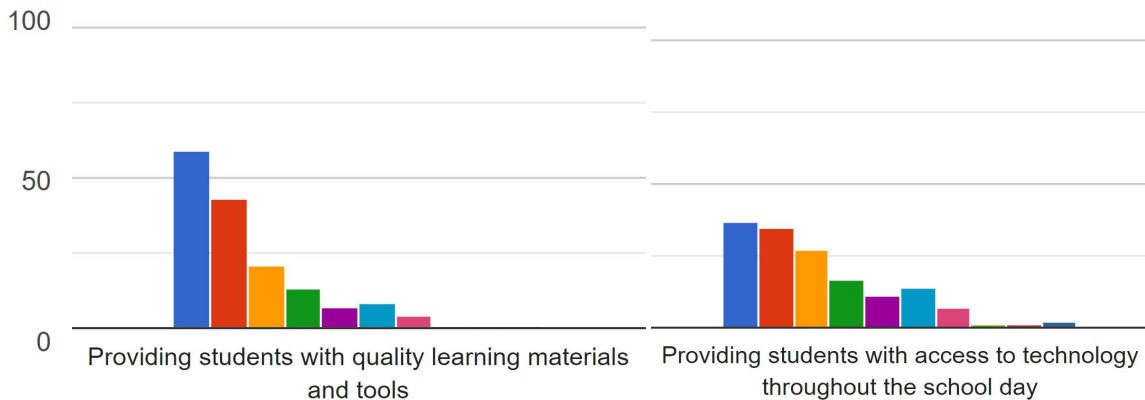

Keeping class size small

Providing quality extra curricular programs such as music, art, drama, etc

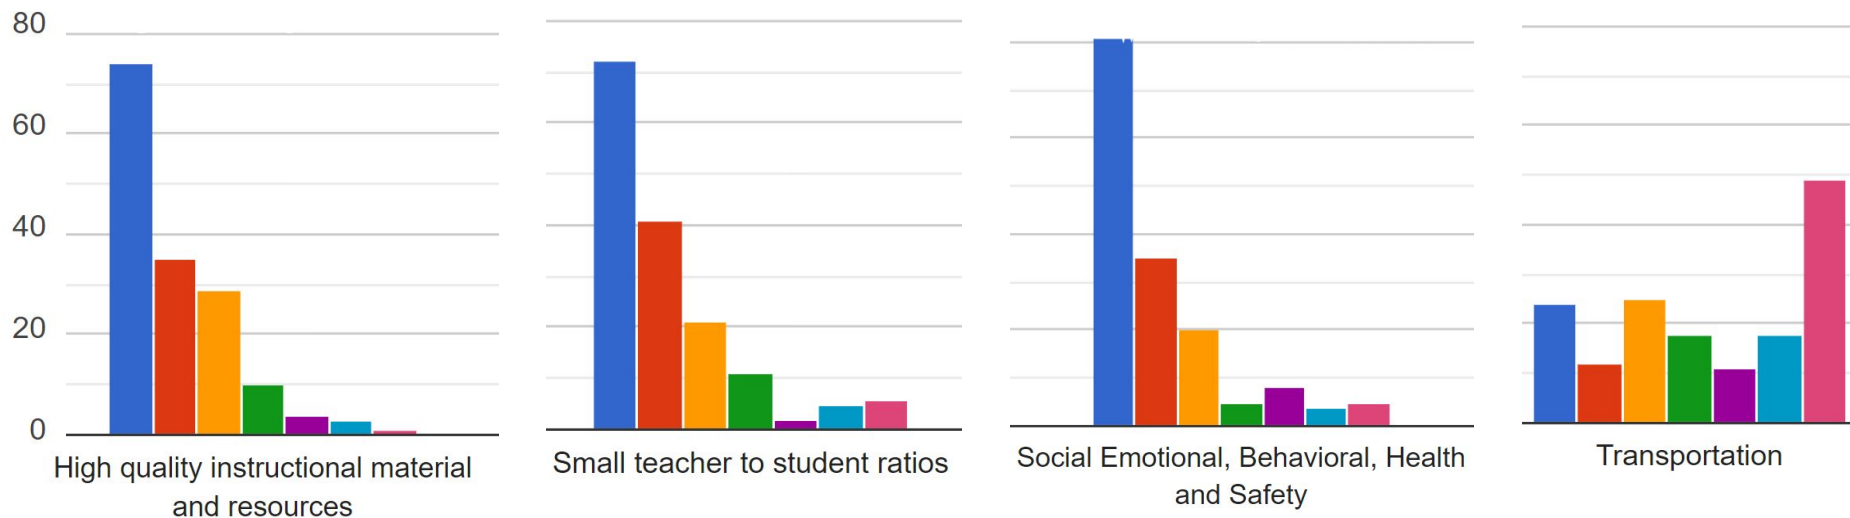

Providing students with opportunities to play sports

When building a school budget, which is the most important to you with 1 being the highest priority and 8 being the lowest?

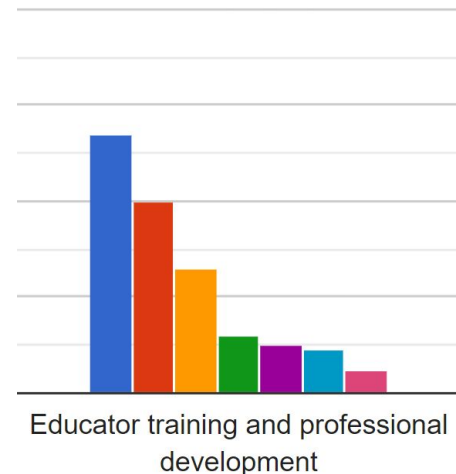

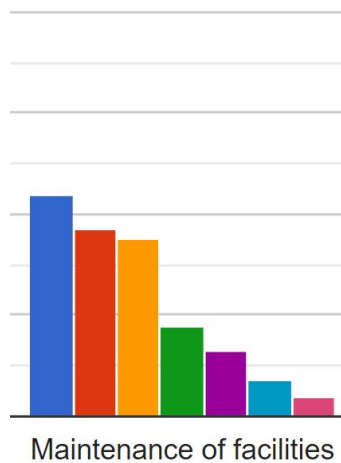

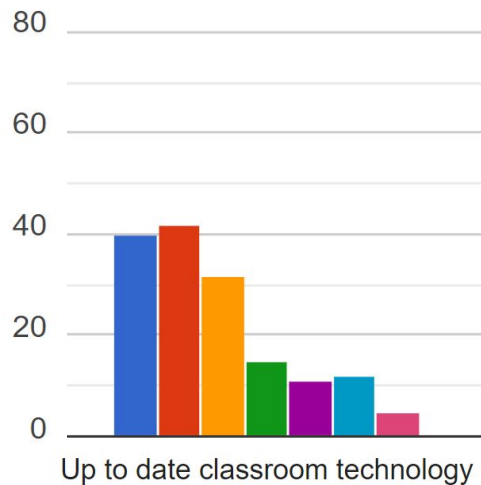

In building a school budget, please prioritize the following areas, with 1 being the highest priority and 7 being the lowest.

1 Highest Priority 2 3 4 5 6 7 Lowest Priority

In building a school budget, please prioritize the following areas, with 1 being the highest priority and 7 being the lowest.

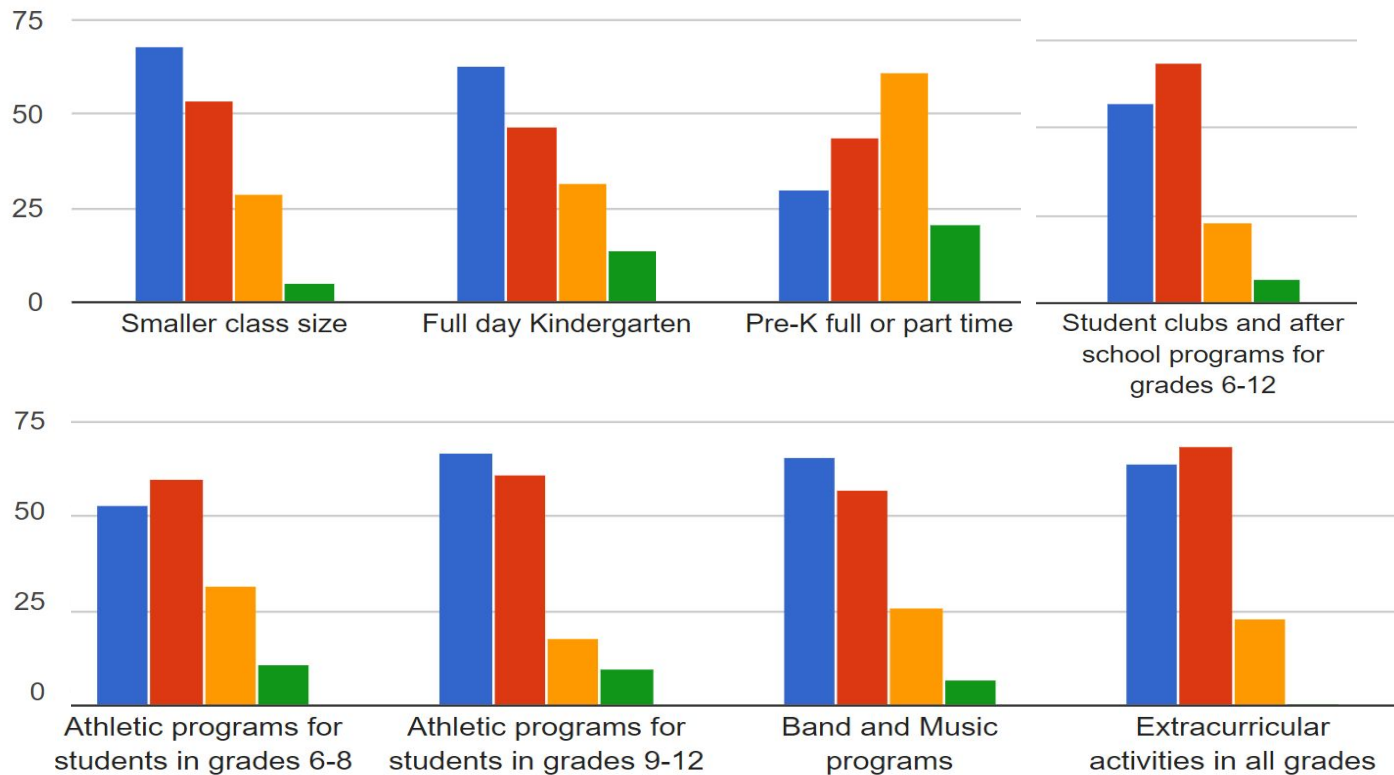

1 Highest Priority 2 3 4 5 6 7 Lowest Priority

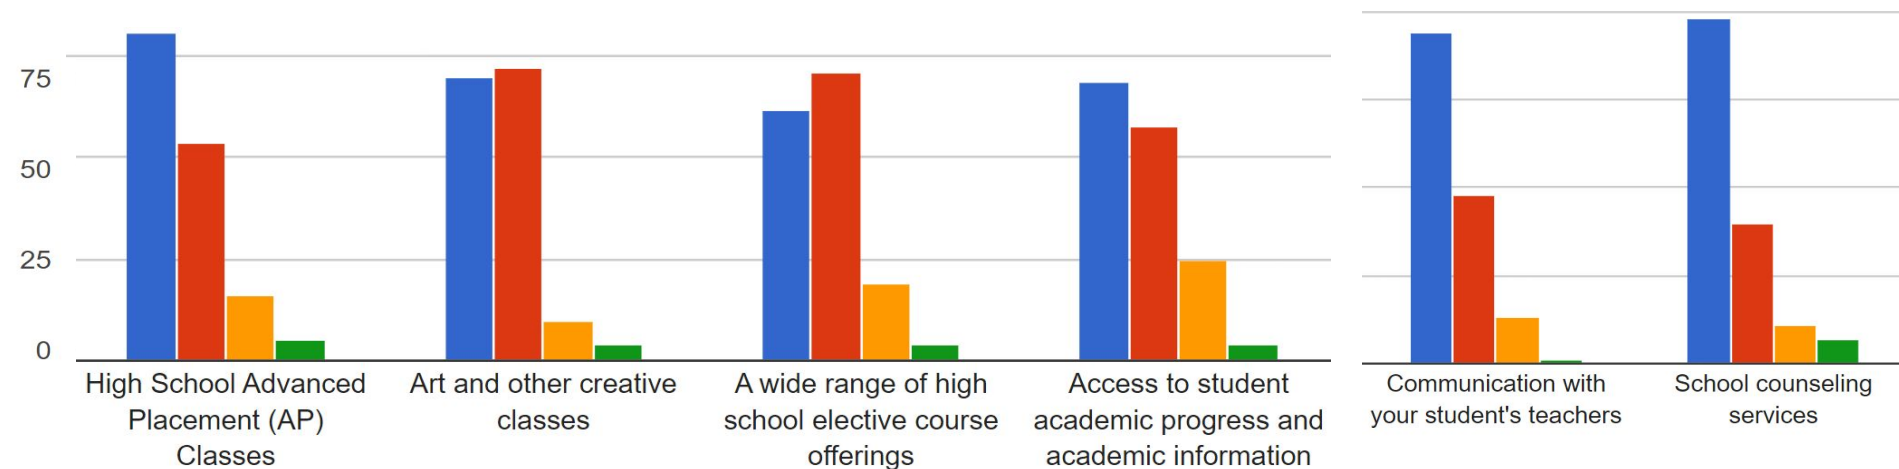

Please rate how important each area is in supporting the education of students attending the Winthrop Public Schools.

■ Essential and critical to the school district's mission ■ Very important to our mission and worth preserving at almost all costs

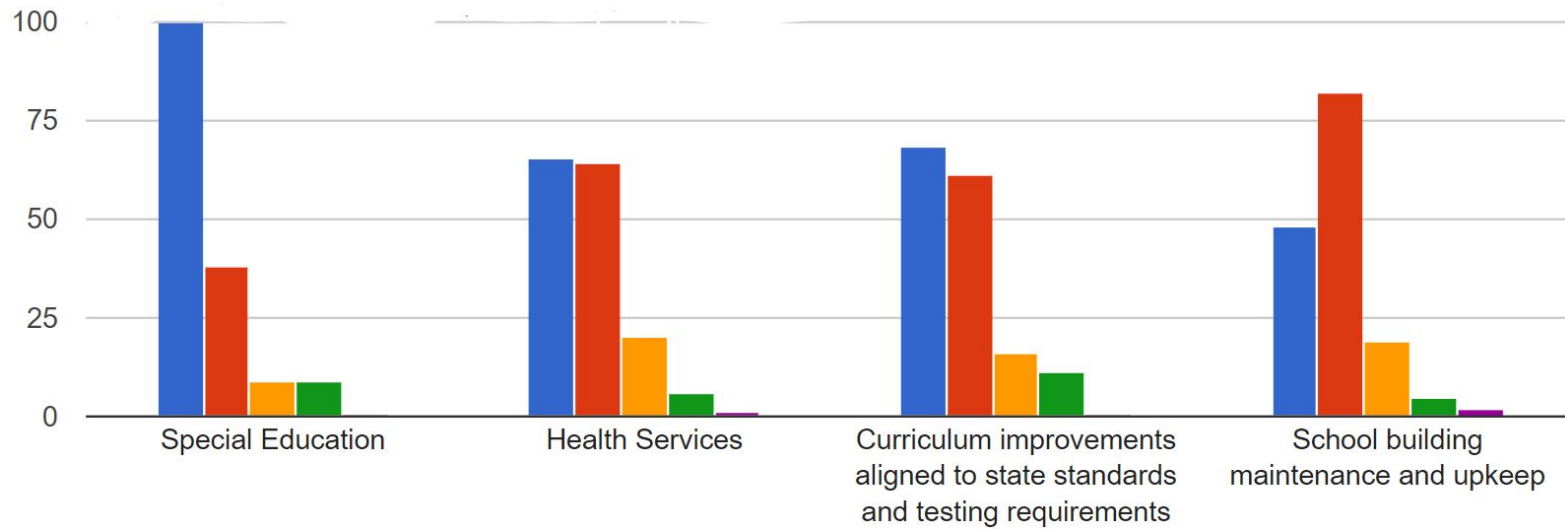

■ Good to have, but not essential for our district ■ Not important to preserve in a time of fiscal constraint

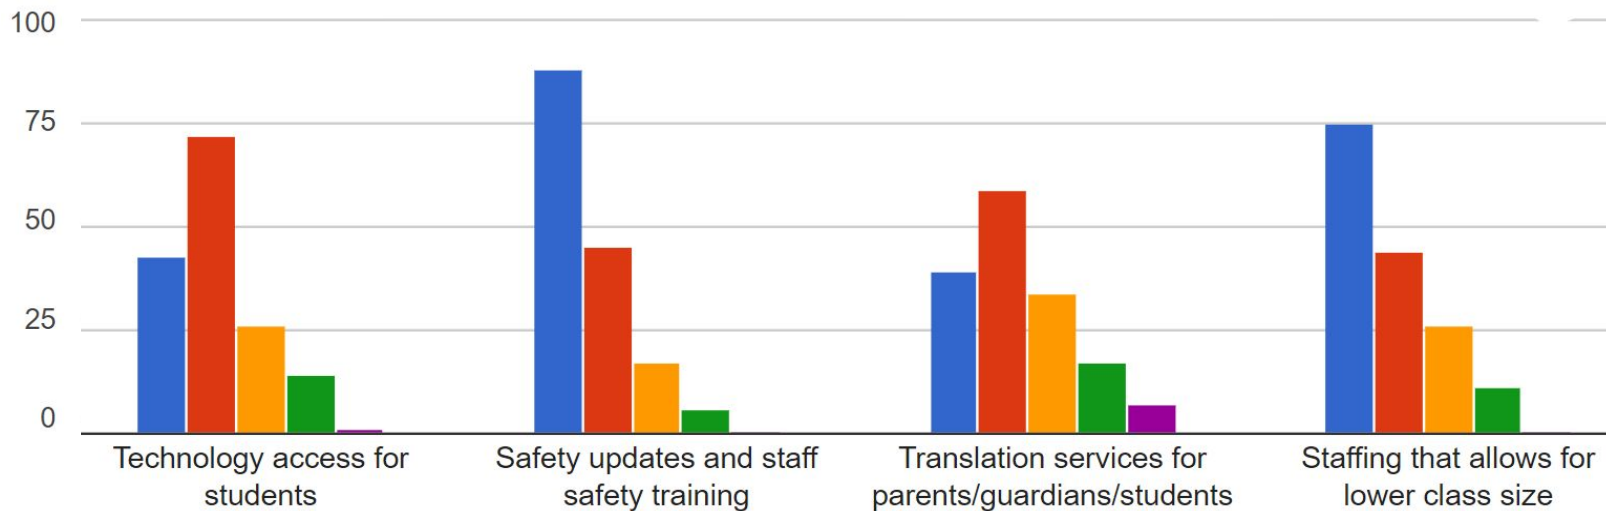

Please rate how important each area is in supporting the education of students attending the Winthrop Public Schools.

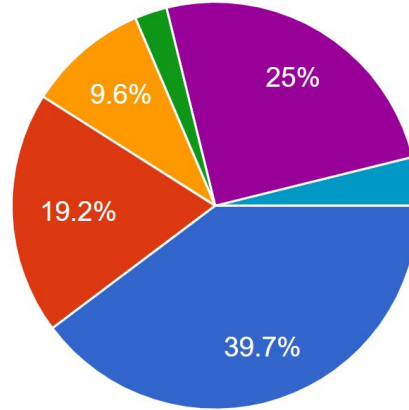

Please rate how important each area is in supporting the education of students attending the Winthrop Public Schools.

Please rate how important each area is in supporting the education of students attending the Winthrop Public Schools.

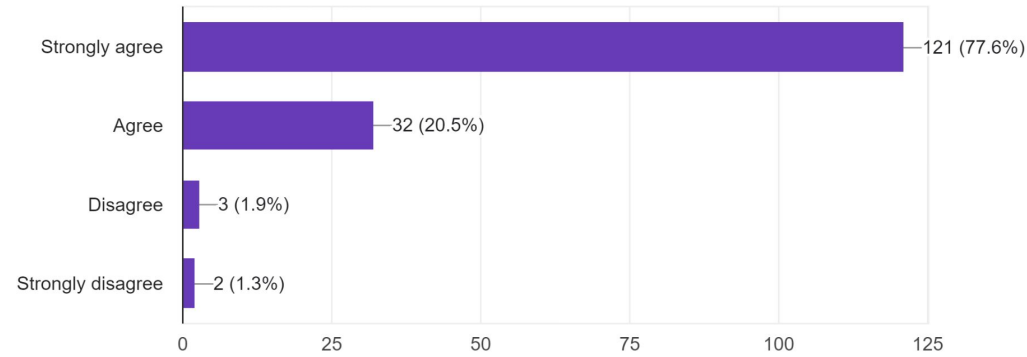

Please rate how important each area is in supporting the education of students attending the Winthrop Public Schools.

- Expanding opportunities to improve our school system on the whole
- Preserving programs and opportunities to the greatest extent possible
- Balancing the preservation of programs and opportunities with affordability
- Presenting a budget proposal with as little impact on taxes as possible, regardless of what it means for the preservation of programs and opportunities
- Presenting a budget that outlines all of the school district's needs and the impacts of not receiving the fully requested budget allocation
- Providing opportunities for parents to understand the budget process and school district funding

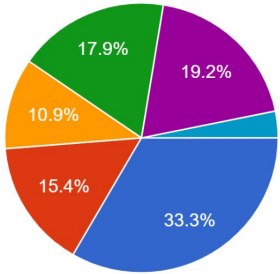

It is important to maintain rigorous academic experiences and academic supports for all students.
