The Winthrop High School Parent/Teacher Club would like to take this opportunity to welcome you to the 2024-2025 school year. The WHS Parent/Teacher Club is a group that helps support quality public education at WHS. We hold regular meetings throughout the school year to discuss concerns, issues, and suggestions. We sincerely hope you will become an active member of the Winthrop High School Parent/Teacher Club.

Annual dues are \$15.00 per family. You can mail checks to WHS PTC, WHS 400 Main St. Winthrop, MA 02152 or Venmo \$15 to @WHS_PTC

The WHS parent/Teacher Club will sponsor various programs throughout the school year. Funds raised throughout the year will directly benefit activities and students at WHS. Some of these include:

- **10% Breakfast:** Each spring students are notified if they have achieved a spot in the top 10% of their class. The PTC provides breakfast for the students and their families.
- **Staff Appreciation:** Each year teachers and staff are treated to a luncheon to show our appreciation for all they do for our students and the school community.
- **Class Night:** During Senior Week the senior class is served a traditional pasta dinner followed by an award ceremony. We will award monetary scholarships to deserving seniors, who have been recommended by the teachers in each department. Additionally, we present each graduate with a gift that evening.
- **Scholarship Awards:** Distributed on Class Night- over \$2,950 annually have been awarded to students in years past.
