Winthrop High School Parent Teacher Club

May 1, 2015

Dear Parent/Guardian and Senior Student:

On Wednesday, June 3, 2015, the Winthrop High School Parent Teacher Club will be hosting the **Class of 2015 Class Night**. Students should arrive at the cafeteria at 5:00 pm where they will receive their yearbooks. Dinner will be served at 6:00 pm. and immediately following dinner the awards ceremony will take place promptly at 7:15 pm in the High School auditorium. **Parents are invited to attend this award ceremony at 7:15 pm.**

The program will recognize members of the Senior Class who have exhibited achievement in academics, leadership, athletics and/or co-curricular activities. Furthermore, students who have been chosen to receive scholarship awards will be named at this time. Traditionally Class Night has distributed all scholarship awards under \$1,000. Additionally, the Parent Teacher Club will present a token gift to each member of the graduating class.

Dessert and coffee will be served in the cafeteria following the awards ceremony. In the past senior class parents/guardians have donated the refreshments. Suggestions included: individual pastries, brownies, cookies and/or fruit trays. You may send your contribution to this event with your student at 5:00 pm.

As always we appreciate your generosity and support. We are looking forward to seeing you on June 3rd at this special senior event. **Proper dress is required of all students attending.**

Sincerely,

Mary E Gillis

**Winthrop High School Parent Teacher Club
Scholarship Recommendation Request
Class of 2015**

Dear Members of the Drama Department:

March 17, 2015

The Parent Teacher Club will be awarding a scholarship for \$100 in the Drama department. The award will be presented to the selected student of the graduating class on Class Night. Of those nominated, the departments are to discuss as a group, which student along with an alternate choice is to be considered for their departments' scholarship award. The committee would only use the alternates name if the student selected is receiving additional scholarships and this award would make a greater impact on the alternate student.

The PTC scholarships can be but are not limited to top or highly academic candidates. Students' selection criteria is to be determined with the notion of dedication, commitment, passion of the subject matter or any recognizable trait that you as a department feel is worthy of recognition.

*Candidate's names are to be submitted to the office in the enclosed envelope no later than **May 1st**. If you have any questions or comments please contact a PTC board member directly.*

Sincerely,
