

WHS CLUB/Activities

2025/26

CLUB / ORGANIZATION	ADVISOR(S)	CODE	DESCRIPTION
STUCO	Ms. Dorso & Ms. Kostegan	gam6sjn	General Council is a branch of Student Council that is open to all students! General Council members plan, organize, and execute school wide events and coordinate community outreach alongside the Executive Board.
Class of 2029	Mr. Perrin	mb5ysofy	Class Office & Social Committee are responsible for organizing fundraisers, planning events, and facilitating the experience of a single graduating class.
Class of 2026	Ms. Lewis	q37mcyn	Class Office & Social Committee are responsible for organizing fundraisers, planning events, and facilitating the experience of a single graduating class.
Class of 2027	Ms. Tourgee	bsyn25i	Class Office & Social Committee are responsible for organizing fundraisers, planning events, and facilitating the experience of a single graduating class.
Class of 2028	Ms. Gallagher	kcfofbp	Class Office & Social Committee are responsible for organizing fundraisers, planning events, and facilitating the experience of a single

			graduating class.
Yearbook	Mr. Donnelly	fhyzohx	The yearbook club creates, designs, edits and sells our school's Echo yearbook. Students have the opportunity to learn skills in advertising and marketing as well as photography and graphic design. Students will use a variety of technology tools to join together and create a memorable book that highlights the many achievements of the school community.
The Viking Times	Mr. Donnelly	ax7d526	The Viking Times is Winthrop High School's student-run newspaper. We cover both local and world news, as well as all things art, sports, music, opinion, etc. Students get the opportunity to hone in on nonfiction writing skills while meeting new people and getting involved in the community.
Math Club	Mrs. Alabaku	hvutep56	Math Club meets bimonthly to engage in practice contests, calculator tutorials, math tutoring, and discussion about various mathematical topics! Members will also compete at contest meetings (at WHS).
Art Club	Mr. Coleman	bzfqmlv	Art Club meets every Monday for a variety of Independent and group-based art making activities: drawing, cartooning, etc.
Drama Society	Mrs. Calinda	wxttc7g	The Winthrop High School Drama Society is for any student interested in being on stage or behind the scenes. We offer multiple performance and technical opportunities. Collaboration is the key to our success. Join us as we work together and strive for excellence. Our motto is "Nothing great is ever achieved without enthusiasm."

Model UN Club	Mr. Demers	f3eh4r3	<p>Model United Nations (Model UN) is an extracurricular activity where students roleplay as delegates of countries in a simulated United Nations General Assembly to discuss and find solutions to global issues, such as climate change or human rights. Participants research real-world topics from the perspective of their assigned country, write resolutions, engage in diplomacy and debate, and vote on them to develop official recommendations for solving problems. The goal is to develop students' public speaking, teamwork, critical thinking, and negotiation skills while promoting understanding of international relations and the functions of the actual United Nations. It meets weekly and aims to travel to two conferences per year.</p>
Digital Media & Wake Up Winthrop Club	Mr. Donnelly	72tq4h2	<p>The digital media club meets Thursdays after school in room 313. The digital media club is an opportunity for students to discover, explore and use the various digital media</p>

			technologies the school has to offer. Students will be able to help with Wake Up Winthrop, borrow and use the camera equipment and work on personal projects.
Robotics Club	Mr. Palamkumbura	yfl7psa	Club members prepare for the national robotics competition organized by KISS Institute of Practical Robotics. In the process they have the opportunity to learn hardware, coding, and develop collaboration and leadership skills as they assemble robots. Students will also participate in fund raising and volunteering which is part of the competition. The club will tentatively meet once a week on Thursdays after school
Multicultural Club	Mrs. Xu	efgdx5	The Multicultural Club aims to promote cultural awareness and appreciation in diversity, as well as encouraging unity among students. We meet every Wednesday in room 126 starting at 2:05 PM. Our club will organize events and celebrations that highlight various cultural heritages, such as fashion shows, food fairs, movie nights, and many more. We look forward to collaborating with other clubs to raise cultural awareness across the campus!
Health and Wellness Club	Ms. McKinnon	udea47p5	The goal of the Health and Wellness Club is to provide a supportive environment where participants can prioritize their mental and physical well-being. This club will meet every other week, on Thursdays, for 45 minutes and offer a variety of activities designed to reduce stress, increase mindfulness, and promote overall health.
Chess Club	Mr. Lambert	n2crzovj	This club will help new players learn chess while helping more experienced players learn more strategy and practice their skill.
STEM Club	Mr. Lambert	37ph7ctd	This club is for people interested in science and engineering. We will do experiments, discuss scientific topics, and prepare for the Science Olympiad

			competition in the spring.
