

Stop Block and Talk

Introduction to the Suffolk County District Attorney's Office

What types of crimes we investigate and how

Cases involving kids and technology – what we see and why we say these are:

The Top Ten Things to Remember When Using Technology

1) Privacy settings, friends and followers

2) What really matters- likes and dislikes

3) What should I post/not post?

4) Kindness and comments

5) Sexting- the law and other consequences

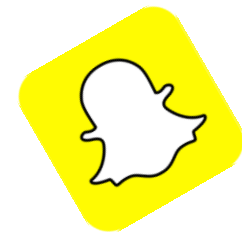

6) Sexting-risks and pressures

7) Who are we talking to online?

8) Gaming (Who are we playing with and what are we saying?)

9) Live Streaming (What are we saying and to whom?)

10) What to remember and what to do - PRACTICE
