ARTICLE 1 – INTENT AND PURPOSE

The general intent and purpose of this Agreement is in the mutual interests of the School Committee and the Union, to provide for the operation of our school buildings under methods which will further to the fullest extent possible the safety, welfare and health of the school children of the Town of Winthrop under conditions which will insure economy of operation, quality and quantity of performance, cleanliness of the buildings, and protection of the property.

By the consummation of this Agreement, the parties seek to continue and promote harmonious relations and mutual cooperation between the Committee and the Union, to formulate work rules to govern the relationship; to insure the uninterrupted operation of the facilities; to set forth the agreement of the parties with respect to rates of pay, hours of work and conditions of employment under which members represented by the Union perform their duties; to provide for an orderly and equitable adjustment of all grievances as herein defined, all with the goal of improving the educational system in the Town of Winthrop. In seeking to achieve these goals, the parties acknowledge that the Committee and Superintendent have and must retain complete authority over the policies and administration of the schools, which they exercise under law, except as expressly modified by a specific provision of this Agreement.

No prior agreements or understandings, oral or written, shall be controlling or in any way affect the relations between the parties unless and until such agreements or understandings have been reduced to writing and duly executed by both parties subsequent to the date of this Agreement.

All matters not dealt with herein shall be treated as having been brought up and disposed of and the Committee shall be under no obligation to discuss with the Union any modifications or additions to this Agreement which are to be effective during the term thereof. No change or modification of this Agreement shall be binding on either the Committee or the Union unless reduced to writing and executed by the respective duly authorized representative.

ARTICLE 8 – UNION ACTIVITY ON SCHOOL PROPERTY

Section 1. Except to the extent expressly permitted in Article 10 (Grievances) or except as expressly approved by the Superintendent of Schools, no member of the Union shall conduct Union business on school property.

The Committee will provide space on which the Union may erect a bulletin board. The purpose of the board will be for posting of notices by the Committee or the Union. No notices shall be posted thereon unless it has been signed by a duly authorized representative of the Union after it has been first submitted to the Administration.

The content of such notices shall be limited to announcements of recreational or social events, announcements of elections, appointments, results of elections, announcements of meetings, posting of openings. No notice shall contain material of a controversial or offensive nature.

All employees covered by this Agreement shall serve a one hundred eighty (180) workday probationary period during which any discipline, suspension, or discharge shall be in the sole discretion of the Superintendent and/or his designee and shall not be subject to the grievance and arbitration provisions of this Agreement.

ARTICLE 10 – GRIEVANCE PROCEDURE

Section 1. For the purpose of this Agreement, a grievance shall be defined as a complaint between the Committee and the Union and or any member of the bargaining unit involving only an alleged specific and direct violation of express language of a specific provision of this Agreement.

Section 2. A grievance must be presented within ten (10) school days of the time of the occurrence of the alleged contract violation and must be processed in accordance with the steps, time limits, and conditions set forth below in this Article.

1. The member of the bargaining unit with a steward or representative if he so desires shall take up the grievance or dispute in writing with the Principal within ten (10) school days of the occurrence giving rise to the grievance. The Principal shall attempt to adjust the matter and shall respond in writing within ten (10) school days. If the grievance is not satisfactorily settled at this step;
2. It may be presented in writing to the Superintendent of Schools within ten (10) school days after the Principal's response is due. The Superintendent or his/her designee shall respond in writing within five (5) school days.

In the event the Superintendent determines that a meeting is called for, he/she shall decide whether the discussion shall take place during working hours or not. If the matter is not satisfactorily settled at this step it may be:

3. Appealed in writing within five (5) school days after receipt of the written answer of the Superintendent by the member of the bargaining unit to the Committee. The Committee or its designated representative and the member of the bargaining unit, and if the member of the bargaining unit so elects, counsel and/or authorized representative of the Union, shall meet to discuss the grievance as promptly as possible, normally within fourteen (14) school days, at a time designated by the Chairman of the School Committee. If any person or persons are to represent or appear with the member of the bargaining unit at this meeting, the School Committee will be informed in writing prior to three (3) school days before the meeting of the names and titles of such persons. The School Committee or its designated representative shall elect whether this discussion shall take place during working hours or not. The School Committee will give its written answer to the grievance within ten (10) school days following the conclusion of the meeting. If both

the Superintendent of Schools and School Committee appoint a designee under this Section, it shall not be the same person for both steps.

4. If the employee is not satisfied with the written decision of the School Committee, the Union may then request arbitration. At this stage the request for arbitration shall go to three-person committee set up from the local's union membership for their review of the grievance to see whether the grievance should be processed through arbitration. If the grievance committee's decision is in the affirmative, it shall request SEIU to petition the American Arbitration Association or Labor Relations Connection to select an arbitrator in accordance with its procedure.

If no satisfactory settlement of the grievance is made, it may be appealed to arbitration by written notice of such intention to appeal within twenty (20) school days after receipt of the written answer under Step Three (3). This appeal to arbitration shall be in accordance with the procedures and conditions set forth in Article 11.

Section 3. A grievance not initiated within the time specified shall be deemed waived. Failure of the Union to appeal a decision within the time limit specified will mean that the grievance shall be considered settled on the basis of the decision last made and shall not be eligible for further appeal. Failure of the School Committee to answer an appeal within the time limit specified shall mean that the appeal may be taken to the next step immediately. The above limitations may be waived by mutual agreement of the parties in writing.

At Step Two (2) or above, the Union will be notified of all meetings and have the right to be present and be heard. No grievance carried forward by an individual will be settled in a manner inconsistent with any specific provision of this Agreement.

Section 4. No reprisals of any kind will be taken by the Committee or any member of the Administration against any party in interest or any participant in the grievance procedure by reason for such participation.

Section 5. The Union recognizes the authority and responsibility of the Principal, the Supervisor of Custodians, the Superintendent and Committee for reprimanding or disciplining an employee for delinquency of performance.

Section 6. No member of the bargaining unit who has completed his/her probationary period will be disciplined, reprimanded, reduced in rank, or compensation, or deprived of any wage increase or increment without just cause. Any contention that the Committee has acted in an arbitrary or discriminatory manner in withholding wage increase or increment may be raised as a grievance.

The parties agree that nothing in this Agreement is intended to add to or subtract from the rights and remedies provided by any Civil Service Law.

Section 7. Union officers, representatives or members of the bargaining unit will be granted time off with pay from their duties to attend grievance meeting subject to the discretion of the Superintendent.

ARTICLE 11 – ARBITRATION

Section 1. In the event either party elects to submit a grievance to arbitration, the arbitrator shall be selected according to and shall be governed by the following procedure:

The arbitrator is to be mutually selected by the Committee and the Union. If the Committee and the Union cannot agree within seven (7) school days after written notice of intent to arbitrate has been received from the Union, then the Union shall within five (5) school days thereafter request the American Arbitration Association or Labor Relations Connection to provide a panel or arbitrators, said arbitrator then to be selected under the provisions of the Voluntary Labor Arbitration Rules.

Section 2. Each party shall bear the expense of its representatives, participants, witnesses and for the preparation and representation of its own case. The fees and expenses (if any) of the arbitrator shall be shared equally by the parties provided that the obligation of the Committee to pay shall be limited to the obligation which the Committee can legally undertake in that connection.

In no event shall any present or future member of the Committee have any personal obligation for any payment under any provision of this Agreement. If either party desires a verbatim record of the proceedings, it may cause such a record to be made, providing it pays for the record and makes copies available without charge to the other party and the arbitrator.

Section 3. Notwithstanding anything to the contrary, no dispute or controversy shall be a subject for arbitration unless it involves only an alleged specific and direct violation of express language of a specific provision of this Agreement. The arbitrator shall have no power to add to, subtract from, or modify any of the terms of this Agreement. The parties are agreed that no restrictions are intended on the rights and powers of the Committee except those specifically and directly set forth in express language in specific provisions of this Agreement. The arbitrator shall arrive at his decision solely upon the facts, evidence, and contentions as presented by the parties during the arbitration proceedings.

Section 4. Subject to the limitations in Section 3, the decision of the arbitrator shall be final and binding upon the parties hereto and upon any employee or employees affected thereby. In the case of arbitrations involving disciplinary actions of persons not covered by Civil Service, the arbitrator shall have the power to direct a resolution of the grievance up to and including restoration to the job and/or award of full or partial restoration of all compensation or privileges as the arbitrator deems warranted should the arbitrator find the Committee acted in an arbitrary or discriminatory manner.

Section 5. The parties may by mutual agreement submit more than one (1) pending grievance to the same arbitrator.

ARTICLE 12 – CONTINUITY OF EMPLOYMENT

Section 1. The Union agrees that no employee shall engage in, induce or encourage any strike (whether sympathetic, general, or any other kind), walkout, work stoppage, sit down, slowdown, withholding of services, boycott (whether primary or secondary), demonstration at the Committee's premises, or any other direct or indirect interference, concerted or otherwise, with the Committee's operations. The Committee agrees not to conduct a lockout.

Section 2. The Committee may impose disciplinary action including discharge upon any and all of the employees involved in a violation of this Article. Such action shall not be subject to the grievance or arbitration procedures hereunder except as to the question of whether or not the employees who were disciplined in fact engaged in, induced or encouraged such conduct.

Section 3. The Committee also retains the rights to recover from the Union, or any officers, agents, or members thereof, either through legal procedures as provided by law, or through the grievance and arbitration procedures established by this Agreement, or both, such damages as it may suffer by reason of violation of this Article except that no person (including the Union) shall be liable if he did not engage in, induce or encourage activity violative of Section 1, and such person takes all lawful steps reasonably within his power to have such activity terminated.

The Union retains similar rights under this Section in case of an illegal lockout by the School Department.

ARTICLE 13 – BIDDING AND POSTING

When a vacancy covered by this Agreement exists and the Employer determines to fill such vacancy, the same shall be posted in a conspicuous location for a period of seven (7) working days. Such postings shall list the, duties, qualifications and hours of work. The Union shall receive, upon written request, a list of those who applied for vacant positions (if any). Employees interested in such position shall apply to the appropriate management authority as listed in the notice within the above seven (7) working day period ending with the day of notice. Copy of such shall be sent to the Union President. The Committee may advertise any vacancy outside the bargaining unit simultaneously with the posting within in the bargaining unit.

Within twenty (20) working days thereafter the position shall be awarded if the Employer determines to fill such position. Upon submitting a formal request, the Union President shall receive a copy of the appointments to the filled position. The position shall be awarded on the basis of qualifications, ability, dependability, and capability (physical or otherwise) to perform the duties of the position. If qualifications, ability, dependability and capability are generally equal, then the employee with the most seniority in any classification shall be offered the job.

The Employer shall have the sole authority to determine qualifications, ability, dependability and capability. The Employer shall take into consideration the seniority of a qualified applicant in arriving at his decision. The appointment shall not be subject to the grievance and arbitrations procedure unless it can be shown that the decision is arbitrary or capricious.

ARTICLE 14 – HOLIDAYS

Section 1. All members of the bargaining unit covered by this Agreement will be paid eight (8) hour pay at regular straight time wages for the following holidays whenever they fall or are observed on a regular work day:

New Year's Day	Independence Day
Martin Luther King Day	Labor Day
Washington's Birthday	Columbus Day
Evacuation Day	Veterans' Day
Patriots' Day	Thanksgiving Day
Memorial Day	Christmas Day
Bunker Hill Day	

When a regular paid holiday falls on a Saturday and Sunday and it is not a regular workday for the members of the unit, he/she will receive one (1) lieu day which may be taken at a future date subject to approval of their supervisor.

Employees hired after the execution of the Memorandum of Agreement shall not be entitled to Evacuation Day or Bunker Hill Day as a holiday. Current employees will continue to receive that benefit.

Section 2. Day following Thanksgiving to be considered a no workday. This day to be classified as a compensatory time if work required.

A custodian who notifies the Employer of his desire to take a vacation outside the normal vacation period and submits his request in writing by May 1st will be given consideration and not be denied for arbitrary and capricious reasons.

Section 3. Custodians will have a full day off on Christmas Eve except senior custodians must do a building check. Also, one-half (1/2) holiday will be celebrated on the regular workday before Thanksgiving, and custodians may leave the buildings one-half (1/2) hour after the teachers. On all such days all employees otherwise eligible for holiday pay will receive eight (8) hours of pay for four (4) hours worked on such day.

Section 4. In order to be eligible for payment for such holiday, the employee must have worked his full regularly scheduled shift on the work day immediately preceding and his full regularly scheduled shift on the work day immediately following such holiday, unless he has previously requested and received permission to be absent on such day. Absence on one or both of these days shall not affect eligibility for holiday pay if such absence is proved to the satisfaction of the

Committee to be due to illness. In the case of absence on both these days, the custodian shall submit a doctor's certificate as proof of illness.

Section 5. Subject to the provisions of other articles dealing with building checks or flag displays, any employee required to work on a holiday shall receive, in addition to the regular holiday pay, an amount equal to one and one-half (1 ½) times his regular rate of pay for all hours worked, but in no case shall this be less than an amount equal to two (2) hours' work at said rate. If an employee is required to work in excess of eight (8) hours on a holiday, twice his regular rate of pay will be paid for all hours over eight (8).

Section 6. In the event a holiday falls on a scheduled workday during the employee's vacation period, he will receive an additional day's pay with his vacation pay.

ARTICLE 15 – HOURS OF WORK/OVERTIME

Section 1. This article is intended to provide the basis for the calculation of overtime pay and shall not be construed as limiting or determining the nature of the shift arrangements or the day or hour on which any particular custodian shall begin or end, or as a restriction on the Committee's right to require work in excess of any specified periods.

Section 2. The workweek shall begin on Sunday at 12 midnight and continue for seven (7) consecutive days. The normal work day for custodians is eight (8) hours per day. The regular hours for each day shall be consecutive, except for interruptions for lunch periods. The normal workweek is forty (40) hours per week, Monday through Friday, with two (2) consecutive days off on Saturday and Sunday. Time actually worked by custodians in excess of forty (40) hours per week or on Saturday or Sunday shall be considered as overtime and shall be paid at the rate of time and one-half (1 ½).

Senior Custodians will start their shift between 6:00 am and 7:00 am with the starting time agreed upon by the Senior Custodian, and Facilities Director. If an agreement cannot be reached, the Facilities Director has the final say.

Night Custodians will start between 2:00 pm and 3:00 pm with the starting time agreed upon by the Senior Custodian, and Facilities Director or designee. If an agreement cannot be reached, the Facilities Director or designee has the final say.

If any school is to have a middle shift, then the starting time will be a time that is agreed upon by the Senior Custodian, and Facilities Director or his designee. If an agreement cannot be reached, the Facilities Director or his designee has the final say.

Section 3. It is recognized that during the school year work schedules must be established and altered by the Superintendent or his/her designee to serve the best interests of the students, with due consideration being given to such items as whether the school is heated by oil, gas, or HVAC, and whether the students are on a "in-school lunch" program or not.

When practical, employees covered by this Agreement will be granted a one (1) hour duty-free lunch period without pay which will be scheduled by the senior custodian in the building between the ending of the fourth and beginning of the seventh hour after starting time of employee concerned.

When the Administration determines the senior custodian is not to schedule such a lunch hour, the custodian will be entitled to thirty (30) minutes to eat as a part of his regular eight (8) hour day, without deduction in pay, at a time scheduled by the senior building custodian.

Section 4. The normal hours for the afternoon shift for custodians will begin between 2 p.m. and 3 p.m. with a thirty (30) minute paid supper period, to be scheduled by the senior building custodian.

Section 5. During school vacation periods and summer vacation periods the normal work shift for custodians will be from 7 a.m. to 3 p.m., with a thirty (30) minute paid lunch period.

Section 6. All custodial personnel shall sign in upon arrival at school. No custodial personnel shall leave the school premises during working hours without the express permission of the Facilities Director or designee, or in his absence, the Supervisor of Custodians.

In cases where school is cancelled due to adverse weather conditions, all custodians shall report to work for the day shift. Custodians who fail to report to work in cases where school is cancelled due to adverse weather conditions must provide a doctor's certificate or will not be paid for the day.

Section 7. Each custodian will be granted two (2) ten (10) minute rest periods per work day to be taken at times to be determined by the senior building custodian.

Section 8. Subject to the express provisions dealing with building checks and flag displays, any employee called back to work on the same day after having completed his assigned work and left his place of employment shall be paid at the rate of time and one-half (1 ½) for all hours worked on such recall. He will be guaranteed a minimum of two (2) hours' work and/or pay at time and one-half (1 ½) provided that the reason for the recall was not the employee's own negligence.

Section 9. Overtime shall be equitably and impartially distributed by the Union among the personnel regardless of the school they ordinarily work in.

Section 10. Holidays paid for but not worked shall not be computed as time worked for purposes of computing overtime.

Section 11. The School Committee will provide foul weather gear at each school for those who will be required to be out in the elements.

Section 12. The School Committee will provide custodians with an allowance of two hundred dollars (\$200.00) per year for the purchase of work shoes (not sneakers). Custodians shall be required to wear the work shoes. The shoe allowance shall be paid in the first check in July.

In addition, the Committee will provide custodians with uniform allowance of two hundred dollars (\$200.00) per year which shall be used for the purpose of uniforms. The uniform shall consist of a dark blue shirt, with a logo which identifies the person as a Winthrop Public School employee, and dark blue or black pants (pants shall not be sweat pants or blue jeans). Custodians shall be required to wear this uniform when school is in session.

For Fiscal Year 2016 only the work shoe allowance and uniform allowance set out in this Article shall be increased to two hundred and seventy seven (\$277) dollars and shall be paid to the employees in a separate check minus state and federal taxes. During the last two years of this agreement the work shoe and uniform allowance shall be paid at two hundred (\$200) dollars and as a reimbursement as set out below.

Effective July 1, 2016 the work shoe and uniform allowance to be paid out under the first two (2) paragraphs of this Article shall be paid to the employee as a reimbursement. The employee shall be reimbursed up to the value of the applicable work shoe and uniform allowance upon submission by the employee of a receipt for the purchase of approved uniform clothing.

Section 13. The School Department will provide rink personnel with boots and foul weather jackets necessary for the performance of work. The equipment will be purchased or placed on an alternate year basis with foul weather jackets originally provided in fiscal 75-76.

Section 14. The Committee will request one-half (1/2) payment from non-governmental agency or organization before the scheduled date of detail. The remaining payment will be paid within thirty (30) days. Employees working during the weekend shall be paid at the rate of time and one-half (1 ½) for all hours worked.

Section 15. When a custodian shift is completed he will leave a note in the Principal's office that authorized people were still in the building when he left.

Section 16. A junior custodian who assigned by the Superintendent or his/her designee as a senior custodian and does the work for thirty (30) business days will be paid retroactively to the first day of assignment. The employee retains the right to reject or leave the assignment and the Employer can remove the employee if he/she is not working out.

ARTICLE 16 – REDUCTION IN FORCE

When the Employer determines that a layoff of bargaining unit employees shall occur, it shall consider qualifications, versatility and demonstrated performance in determining the order of layoffs, and shall retain in service those employees judged best able to meet the needs of the Committee. When all things are equal, seniority will be considered.

If members of the bargaining unit are laid-off, they shall be placed on the recall list for a period of at least twenty-six (26) months. Individuals on this list shall have right of first refusal for any bargaining unit position that becomes vacant or is re-established.

Employees will be notified of recall by certified mail at their last address on record at the Office of the Superintendent. If an employee moves while on the recall list he/she is responsible to notify the Superintendent's office of the change in address.

An employee will have fourteen (14) days to notify the Superintendent of his/her acceptance or rejection of recall. Return of the undelivered letter by the Post Office will be considered a rejection of the recall.

ARTICLE 17 – VACATION

Section 1. Employees covered by this Agreement shall accrue annual vacation leave as follows:

- A. From the date of hire through the last day of the first year of employment, an employee will earn .4166 days of vacation per month.
- B. From the beginning of the second year through the last day of the fifth year of employment, an employee will earn .833 days of vacation per month.

- D. From the beginning of the fourteenth year through the last day of the twentieth year of employment, the employee will earn 1.66 days of vacation per month.
- E. From the beginning of the twenty-first year and thereafter an employee will earn 2.08 days of vacation per month.

It is understood that a fifth week of vacation may not be given if the needs of the system as determined by the School Committee, require the attendance of the individual concerned. If attendance of said individual is required by the School Committee, said employees shall receive forty (40) hours' pay at straight time rate in lieu of time off.

Section 2. Vacation leave shall be taken during the eligible year which shall run July 1st through June 30th with the amount of the employee's vacation to be determined on June 30th immediately preceding the eligible year.

On March 1st preceding the eligible year, the Facilities Director or designee of each building shall post a vacation schedule. Employees shall select vacation for the upcoming school year in accordance with seniority. The Facilities Director or designee may exercise his/her discretion to postpone a custodian's vacation in the best interest of the school department.

Section 3. Vacation leave may not be accumulated from one vacation year to another, and salary shall not be paid in lieu of vacations except in cases of emergency and with prior approval of the Committee.

Section 4. An employee who is discharged, resigns or retires shall be paid for any accrued and unused vacation the employee was entitled to at the time the employee left employment.

Section 5. If an employee returns to the service of the School Department and his period of service with the School Department has been interrupted for reason other than in the Armed Forces, then after five (5) years of continuous full-time service, the amount of service prior to the interruption of his work for the School Department shall be added to the five (5) or more years of current full-time service to give total service for purpose of computing "continuous service" for vacation allowances.

ARTICLE 18 – MILITARY SERVICE

Section 1. The Union and Committee agree to observe and comply with all applicable state and federal laws, executive orders, and rules and regulations concerning the re-employment of employees who go to the Armed Services or Forces of the United States.

In computing the differences of pay, the School Department pay will be based upon the employee's basic hourly rate for scheduled hours worked up to a maximum of eight (8) hours of work day and forty (40) hours in a payroll week. Training pay is computed to include compensations received except travel allowance.

ARTICLE 19 – JURY DUTY

Section 1. In the event that any employee covered by this Agreement is required to perform and does perform jury service, and in the event that the total weekly earnings of the employee, including compensation for work performed for the Town of Winthrop and compensation for jury duty service is less than his regular compensation for forty (40) hours, the Committee agrees to pay to the employee the difference between his actual weekly earning and what he would have earned if he had performed such number of hours of work for the Town.

Section 2. As a condition of receiving such payment, the employee agrees that if during jury service he is discharged for the day during regular working hours, he will report to the Supervisor of Custodians for such work as may be assigned.

Section 3. ARTICLE 21 – SICK LEAVE

Section 1. Bargaining unit personnel will earn and accrue 1.166 days of sick leave for each calendar month worked, up to fourteen (14) days per year.

Section 2. Unused sick leave will accumulate from year to year up to a maximum of two hundred (200) work days as of July 1st of any calendar year.

Section 3. Sick leave with pay shall be granted to employees only when they are incapacitated by their own sickness or injury and not for that within their immediate family.

Sick leave will also be granted in cases where exposure to contagious diseases or the presence of the custodian as his post of duty would in the opinion of the Committee jeopardize the health of others.

Section 4. Employees shall notify the Supervisor of Custodians on the first day of absence due to non-service connected to sickness or injury stating the nature of the sickness or injury, the time expected to be incapacitated, and the date on which they expect to return to work.

All absences which exceed two (2) days will be checked by the Supervisor of Custodians. If a doctor has been called in by the employee, the Supervisor shall also check with the doctor.

Absences for periods of three (3) days’ duration or more, or absences of two (2) days which occur more than twice in a calendar year will be paid for only with submission of a doctor’s certificate satisfactory to the Superintendent of Schools. The cost for such an examination shall be borne by the Town.

Section 5. Except as specified in Article 23, Section 6, bargaining unit personnel whose services are terminated for any reason shall not be entitled to compensation in lieu of sick leave not taken.

Except on reinstatement after an approved leave of absence, no sick leave credit for prior employment will be allowed to any employee rehired after termination of service.

Sick leave earned following return to duty after a leave of absence without pay shall not be applied against such leave of absence.

Section 6. Sick leave credits will begin at once for a person starting work on the first working day of the calendar month; otherwise, credits will begin to accumulate on the first day of the month following employment, and will accumulate for each calendar month thereafter.

Section 7. Unauthorized absence or abuse of sick leave is grounds for disciplinary action up to discharge.

Section 8. Any employee who is absent from work due to work connected accident or disability and who is receiving workers' compensation may, at his option, turn in his compensation check and receive his regular weekly pay, in exchange for a deduction of one-half (½) day of sick leave for each day absent to the extent he has such credits available.

ARTICLE 22 – SICK LEAVE BANK

A Sick Leave Bank is created for members of this bargaining unit and shall operate under the following rules:

- A. Each employee shall contribute one (1) day of annual sick leave entitlement to the bank. An employee who has not contributed to the Sick Leave Bank will be required to contribute up to one (1) day's sick leave entitlement before being permitted to participate in the Bank and requiring additional days from employees who have already contributed to the Bank.

- F. The initial grant of sick leave from the Bank to an eligible employee shall not exceed thirty (30) days. If additional days are needed, a second request in writing with additional certification from the employee's physician is required.
- G. By submitting a request for Sick Leave Bank days the employee agrees that the Sick Leave Bank Committee is entitled to access to the employee's attendance record, sick leave record and to medical documentation.
- H. The Sick Leave Bank Committee may request further evidence or a second physician's opinion before granting days from the bank.
- I. The Sick Leave Bank Committee shall vote on each request for Sick Leave Bank days and report the vote to the Superintendent.
- J. Deviation from these policies shall be allowed only with the approval of the Superintendent and the Sick Leave Bank Committee.
- K. A denial of request for Sick Leave Bank days for an employee shall not be subject to the Grievance and Arbitration Procedure.
- L. The Sick Leave Bank shall not exceed two hundred and thirty (230) days.
- M. The School Committee shall place sixty (60) days in the Bank to begin the Bank.

ARTICLE 23 – WAGES

Section 4. In cases of functions where a person or organization is using school property for non-school related purposes, the extra help needed to service that function will be paid for by that person or organization on the basis of time and one-half (1 ½) times the senior custodians' basic hourly rate, with a minimum guarantee of three (3) hours.

The extra help needed to service the function will be responsible for cleaning the area involved at the time in question. The administration will endeavor to rotate opportunity to service these functions as equitably as possible among available personnel from the building involved.

Eligible personnel who desire to participate in this program will notify the Superintendent of Schools by November 1st of the calendar year prior to that in which they intend to retire. If such notice is submitted in writing by November 1st, then at the commencement of the final calendar year all accumulated sick leave not exceeding two hundred (200) days (except that which is to be credited monthly during the final year) shall be wiped off the books and in lieu thereof the hourly rate of the individual concerned will be increased as of July 1st by an amount equal to twenty dollars (\$20) per day for each day of sick leave surrendered applied to the fifty-two (52) week period or two thousand eighty (2080) hours. In the event the individual fails to retire immediately upon the conclusion of the calendar year for which the money is appropriated (unless prevented from doing so by death), the custodian will agree in writing to pay the Town of Winthrop the differential between the earnings which he actually received had he or she not submitted the intention to retire, said amount to be deducted from the final pay checks of the calendar year.

In the event the individual determines to retire at a time other than the end of the calendar year, the provisions of this section may be altered to provide said increase in pay for the final twelve (12) month period of employment provided that notice is given to the Committee in sufficient time to make the appropriation for such increase.

Early retirement will be offered to custodians if it becomes available.

The above provision will be pro-rated for employees who work less than twelve (12) month year.

ARTICLE 24 – PERSONAL LEAVE

The first two (2) days will be exclusive of sick leave and the third will be deducted from sick leave. Reasons for such leave must be made in writing to the Superintendent of Schools as soon possible and not less than forty-eight (48) hours before the absence occurs whenever possible.

Eligible employees shall be defined as set forth in the Act.

Section 2. The following reasons qualify for leave:

- to care for a newborn or newly placed adopted or foster child;
- to care for a child, spouse or parent with a serious health condition;
- to care for the employee's own serious health condition

Section 3. Substitution of Paid Leave.

- If leave is taken because of the employee's own serious health condition an eligible employee must first exhaust accrued paid sick leave, personal leave and vacation.

- If the employee's accrued paid leave is less than twelve (12) weeks the remaining weeks will be unpaid.

Section 4. Benefits During Leave.

The Committee will maintain health coverage for an employee on leave under this policy at the level and under the same condition, as the employee would have enjoyed if not on leave. If the employee fails to return to work following the leave, unless the failure to return is due to the continuation, reoccurrence or onset of a serious medical condition of himself/herself or family, or other circumstances beyond the employee's control, the employee on leave under this policy will be responsible for the cost of health coverage during the period of leave.

Section 5. The twelve (12) month period shall be a rolling period.

On the date of retirement, life insurance may be continued in the amount of one thousand dollars (\$1,000) fully paid for by the retiree.

For the retired employee, the Hospital-Surgical-Medical coverage may be continued through the local pension group. If an individual does not desire to remain in the insurance plan, the retired employee may secure his Hospital, Surgical-Medical coverage under any conversion contract offered by Harvard Pilgrim Health Plan.

The Town of Winthrop now participates in the Group Insurance Program. In the event the Town alters its insurance benefits for all Civil Service personnel, said changes will be reflected in this article. APPENDIX D – CRIMINAL OFFENDER RECORD INFORMATION
(CORI) REVIEW POLICY

FILE: GBBA-3

BACKGROUND CHECKS

It shall be the policy of the school district that, as required by law, a state and national fingerprint criminal background check will be conducted to determine the suitability of full or part time current and prospective school employees, who may have direct and unmonitored contact with children. School employees shall include, but not be limited to any apprentice, intern, or student teacher or individuals in similar positions, who may have direct and unmonitored contact with children. The School Committee shall only obtain a fingerprint background check for current and prospective employees for whom the School Committee has direct hiring authority. In the case of an individual directly hired by a school committee, the chair of the School Committee shall review the results of the national criminal history check. The Superintendent shall also obtain a state and national fingerprint background check for any individual who regularly provides school related transportation to children. The School Committee, Superintendent or Principal, as appropriate, may obtain a state and national fingerprint criminal background check for any volunteer, subcontractor or laborer commissioned by the School Committee, school or employed by the city or town to perform work on school grounds, who may have direct and unmonitored contact with children. School volunteers and subcontractors/laborers who may have direct and unmonitored contact with children must continue to submit state CORI checks.

The fee charged by the provider to the employee and educator for national fingerprint background checks will be \$55.00 for school employees subject to licensure by DESE and \$35.00 for other employees, which fee may from time to time be adjusted by the appropriate agency. The employer shall continue to obtain periodically, but not less than every 3 years, from the department of criminal justice information services all available Criminal Offender Record Information (CORI) for any current and prospective employee or volunteer within the school district who may have direct and unmonitored contact with children.

Direct and unmonitored contact with children is defined in DESE regulations as contact with a student when no other employee who has received a suitability determination by the school or district is present. "Contact" refers to any contact with a student that provides the individual with opportunity for physical touch or personal communication.

This policy is applicable to any fingerprint-based state and national criminal history record check made for non-criminal justice purposes and requested under applicable federal authority and/or state statute authorizing such checks for licensing or employment purposes. Where such checks are allowable by law, the following practices and procedures will be followed.

Requesting CHRI (Criminal History Record Information) checks

Fingerprint-based CHRI checks will only be conducted as authorized by state and federal law, in accordance with all applicable state and federal rules and regulations. If an applicant or employee is required to submit to a fingerprint-based state and national criminal history record check, he/she shall be informed of this requirement and instructed on how to comply with the law. Such instruction will include information on the procedure for submitting fingerprints. In addition, the applicant or employee will be provided with all information needed to successfully register for a fingerprinting appointment.

Winthrop Public Schools

Access to CHRI

All CHRI is subject to strict state and federal rules and regulations in addition to Massachusetts CORI laws and regulations. CHRI cannot be shared with any unauthorized entity for any purpose, including subsequent hiring determinations. All receiving entities are subject to audit by the Massachusetts Department of Criminal Justice Information Services (DCJIS) and the FBI, and failure to comply with such rules and regulations could lead to sanctions. Federal law and regulations provide that the exchange of records and information is subject to cancellation if dissemination is made outside of the receiving entity or related entities. Furthermore, an entity can be charged criminally for the unauthorized disclosure of CHRI.

Storage of CHRI

CHRI shall only be stored for extended periods of time when needed for the integrity and/or utility of an individual's personnel file. Administrative, technical, and physical safeguards, which are in compliance with the most recent CJIS Security Policy have been implemented to ensure the security and confidentiality of CHRI. Each individual involved in the handling of CHRI is to familiarize himself/herself with these safeguards.

In addition to the above, each individual involved in the handling of CHRI will strictly adhere to the policy on the storage, retention and destruction of CHRI.

Retention and Destruction of CHRI

Federal law prohibits the repurposing or dissemination of CHRI beyond its initial requested purpose. Once an individual's CHRI is received, it will be securely retained in internal agency documents for the following purposes *only*:

- Historical reference and/or comparison with future CHRI requests,
- Dispute of the accuracy of the record
- Evidence for any subsequent proceedings based on information contained in the CHRI.

CHRI will be kept for the above purposes in a secure location in the office of the superintendent. APPENDIX F – ELECTRONIC COMMUNICATION SYSTEM/NETWORK
ACCEPTABLE USE POLICY

Winthrop Public Schools
Electronic Communication System/Network
Acceptable Use Policy
WPS Staff

It is the policy of the Winthrop Public Schools that staff will use the school district's electronic communication system/network ("system/network"), including the Internet, voice mail and email, in a responsible, legal and ethical manner. Failure to do so or otherwise to comply with this Acceptable Use Policy may result in the suspension or termination of system/network privileges for the user, disciplinary action up to and including discharge, and/or prosecution under federal or state law.

PURPOSE

The system/network is the property of the school district and is intended to be used for business purposes only. This may include using the system/network to conduct research and to communicate with others concerning educational and business matters.

ACCEPTABLE USE

Use of the system/network is a privilege, not a right. Any use of the system/network must be consistent with, and directly related to, the educational objectives and business purposes of the Winthrop Public Schools. A violation of the terms of this Acceptable Use Policy may result in the suspension or termination of system/network privileges, and also may result in other disciplinary action, consistent with any applicable collective bargaining agreements, statutes or district-wide disciplinary policies. Users should be aware that violation of these provisions that constitute a crime also may result in criminal prosecution.

The following conduct violates the Acceptable Use Policy:

1. Using the system/network for personal or recreational purposes or activities.
2. Sending "chain letters" or "broadcast" messages to lists or individuals, or subscribing to "listserves" or "newsgroups," without permission.
3. Accessing discussion groups or "chat rooms" whose purpose is not primarily educational.
4. Using the system/network to buy, sell or advertise anything, without permission.
5. Using the system/network for gambling purposes.
6. Using the system/network for political campaigning purposes, including but not limited to attempts to influence ballot questions or to promote or oppose a candidate for public office.

7. Using or transmitting profane, obscene, vulgar, sexually explicit, threatening, defamatory, abusive, discriminatory, harassing, criminal or otherwise objectionable messages or materials via the system/ network. Employees also are prohibited from visiting Internet sites posting such materials and from downloading or displaying such materials.
8. Using the system/network for illegal purposes, in support of illegal activities, in a manner that violates *any federal or state law, or for an activity prohibited by school district policy, including but not limited to the spreading of computer viruses.
9. Using another person's password or pretending to be someone else when using the system/network.
10. Accessing, reading, altering, deleting or copying another user's messages or data without express written approval.
11. Attempting to gain unauthorized access to system/network programs or computer equipment, including attempts to override, or to encourage others to override, any firewalls established on the system/ network.
12. Installing software or data on the system/network without first having the information scanned by the system/network administrator for viruses or other incompatibility.

Employees are required to comply with copyright, software licenses and intellectual property laws. The school district strongly condemns the illegal distribution (otherwise known as "pirating") of software. Any users who are caught transferring such files through the network, and whose accounts are found to contain such illegal files, shall have their system/network privileges terminated. In addition, all users should be aware that software piracy is a federal offense and is punishable by a fine or imprisonment.

MONITORED USE

All messages and information created, sent or retrieved on the system/network are the property of the Winthrop Public Schools, and should not be considered to be confidential. The system/network's backup mechanism automatically stores communications, including those that employees "delete." Although the school district does not plan to review such communications on a regular basis, it reserves the right to access and monitor all messages and information on the system,, as it deems necessary and appropriate in the ordinary course of business, to prevent abuse by employees, to ensure the proper use of resources, and to conduct routine maintenance. Where appropriate, communications, including text and images, may be disclosed to law enforcement officials in response to proper requests, or to other third parties in the context of proper requests in the course of litigation, without the prior consent of the sender or receiver. Employees who use the system/network are considered to have consented to such monitoring and disclosure.

The system/network is not to be considered as a resource intended for use as a public forum or for any purpose that is not directly related to the school district's business interests.

Email messages are public records, subject to disclosure under G.L. c. 66, § 10. Email communications, therefore, should be printed and maintained in hard copy in the school district's files, so that they can be made available to the public, upon request, for inspection and copying.

Employees should avoid sending documents or information containing confidential or sensitive material, such as student record and personnel information, via the system/network, due to concerns relating to the security of such documents or information.

Employees should not discuss litigation in email messages, because such messages are not privileged and are subject to discovery in litigation against the school district.

LIABILITY

The Winthrop Public Schools assumes no responsibility or liability for:

1. Any unauthorized charges or fees incurred as a result of an employee's use of the system/network, including but not limited to telephone charges, long distance charges, per minute surcharges and/or equipment or line charges.
2. Any financial obligations arising out of the unauthorized use of the network for the purchase of products or services.
3. Any information or materials that are transferred through the system/network.
4. Any cost, liability or damages caused by a user's violation of this Acceptable Use Policy, or any other inappropriate, use of electronic resources of the Winthrop Public Schools.

The Winthrop Public Schools makes no guarantee, implied or otherwise, regarding the reliability of the data connection, and shall not be liable for any loss or corruption of data resulting while using the system/ network.
