

Dear Parents and Guardians,

This is a reminder that **all** students are expected to have received a flu vaccine by December 31, 2020 in order to continue remote or in-person learning as of January 2021. A written record of the receipt of the vaccine must be provided to the School Nurse by December 31, 2020. If your child has a medical or religious exemption, this documentation must also be provided to the School Nurse by December 31, 2020. A flu vaccine received beginning July 1, 2020 is accepted for this school year.

The Winthrop Public Health Department in collaboration with the Winthrop Public Schools is offering a free flu vaccine.
