

Winthrop High School

Mrs. Domina

Room 354/119

Extra Help Hours: Mon-Thur 2:20-2:50

Courses:

☐ Algebra 1 H

☐ Algebra 1 CP

Materials:

☐ Notebook/paper

☐ 1 Folder/binder

☐

Pencils

☐ Colored pencils (for graphing)

☐ Calculator (ideally graphing)

Grading:

Classwork.....15%

Homework.....10%

Quizzes.....25%

Projects.....25%

Tests.....25%

*Classwork, Homework and Quizzes make up 50% of your grade. Quizzes will be short and always taken from the previous day's lesson. If you take notes, ask questions and do homework, you will score high on the quizzes and pass this class.

Expectations:

•*Timeliness*: Get to class on time. If you are late without a pass, 3 strikes and you're out (detention).

•*Prepared*: Bring all math materials. Go to the bathroom before class. Only one student is allowed out of the classroom at a time, never during lesson time. Usage regulated.

•*Attentive*: Copy all notes and practice problems provided during class into your notebook. Use these notes to guide homework practice, as well as to review for tests.

•*Humility*: Ask questions right away! If you are confused, chances are other students are too. Let the teacher know if you do not understand as soon as you realize it.

•*Practice*: Exercise the skills you learn each day through homework assignments.

•*Respect*: Last but not least, follow the Golden Rule to all teachers, students, and staff.

Assignments and Grades:

All grades will be updates on Ipass routinely. For questions about grades that have not yet been entered, or to receive update on a grade, please feel free to email anytime, or call between the 2:20-2:50 Monday through Friday.

•617-846-5505 ext. 7275

The class uses a text book in class and for homework. Supplemental assignments will be posted on Schoology.com and Khanacademy.com. Student's homework assignments are posted in the classroom under their periods spot.

•*Schoology code= ZJKKQ-2HGPI*

•*Khan academy code*

**Period 1= FDJ4J76Z*

**Period 2= AM453XTW*

**Period 4= NMWQUYNE*

**Period 5= XTAFPFGB*

**Period 6= Y49TPU5T*

Course Content:

Term 1: Pre-Algebra Review, Solving Equations, Solving and Graphing Inequalities

Term 2: Functions, Linear Functions, Systems of Linear Functions

Term 3: Exponents and Radicals, Exponential Functions, Polynomials

Term 4: Quadratic Equations, Quadratic Functions, Probability and Statistics

As always, feel free to email with any questions or concerns anytime!
